

# Company Introduction

**Shanghai Bao Bao Steel Co., Ltd**

- Shanghai Bao Bao Steel Co., Ltd was founded in 2015.
- Our headquarter located in Dongbeitang town of Wuxi, one of the most prominent cities in the Jiangsu Province of China.
- The company has a property of 30,000 square meters warehouse
- The company currently has an investment of \$18 Million.

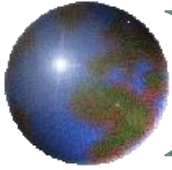

Our principal raw materials are carbon and stainless steel and aluminum flat rolled coil, sheets, plate, pipe and tube that we typically purchase from multiple primary metals producers.

Similar to many other metals service centers, we maintain substantial inventories of metals to accommodate the short lead times and just-in-time delivery requirements of our customers.
